

INVITATION FOR QUOTATION

Clean Kerala Company Limited (CKCL) invites sealed quotations from reputed and experienced agencies/firms for providing a Diesel Generator (DG) Set of 250 kVA capacity, on hire basis at Muttathara RDF Plant, Thiruvananthapuram, for carrying out the trial run of the installed machinery for an initial period of 7 days.

The DG Set may be retained and operated for up to one month, if required by CKCL, based on the operational requirements of the plant.

Scope of Work

The scope of work shall include:

1. Providing a suitable 250 kVA DG Set for the installed machinery at Muttathara RDF plant.
2. The DG Set shall be suitable for operating the installed 150 HP VFD-controlled machinery.
3. The DG Set shall be transported to the Muttathara RDF Plant and installed, tested and commissioned by the agency.
4. The DG Set shall be available at the site during the hire period and shall be operated as and when required by CKCL.
5. Providing all necessary accessories required for safe and reliable operation of the DG Set, including cables, control/protection arrangements, earthing and other associated accessories, wherever required.
6. Supply of diesel and lubricants required for operation of the DG Set during the entire hire period.
7. Providing a qualified operator for operation of the DG Set during the required working hours.(8hrs per day).
8. Dismantling and removal of the DG Set from the site after completion of the hire period.
9. All expenses towards transportation, installation, diesel, lubricants, operator charges, maintenance, dismantling and other incidental expenses shall be borne by the agency and shall be included in the quoted rate.

Email : cleankeralacompany@gmail.com | info@cleankeralacompany.com

10. The DG Set shall be maintained in good working condition throughout the hire period.
11. The agency shall comply with all applicable statutory, safety and environmental requirements relating to operation of the DG Set.
12. The agency shall be responsible for dismantling and removing the DG Set from the site after completion of the hire period.

Technical Details to be Furnished

The bidder shall furnish the following details along with the quotation:

- Make and model of DG Set
- Rated capacity in kVA
- Rated voltage and frequency
- Fuel consumption per hour at different load conditions
- Year of manufacture
- Details of alternator and engine
- Details of AMF/control panel, if provided
- Details of operator to be deployed
- Any other relevant technical details

Price Schedule

The quoted rate shall be inclusive of transportation, loading/unloading, diesel, lubricants, manpower, maintenance and all other incidental expenses for 7 days trial run and also for one month if required by CKCL.

Sl NO	Specification	Per day (8hr)	For 7 Days	For 25 Days or 1 month
1.	Generator hire charge

Vazhuthacaud, Trivandrum 695010

Additional Information

1. The initial hire period shall be 7 days for conducting the trial run of the installed machinery.
2. If required by CKCL, the hire period may be extended for a period up to one month, based on the operational requirements of the plant.
3. The DG Set shall not be required to operate continuously throughout the hire period. It shall be operated only as and when required by CKCL.
4. The DG Set shall be available at the Muttathara RDF Plant whenever required by CKCL for the hire period.
5. Diesel charges shall be paid based on the actual quantity of diesel consumed during the operation of the DG Set.
6. Operator charges shall be paid based on the actual hours of operation, if quoted separately.
7. The bidder shall clearly mention the capacity, make, model, year of manufacture, engine details, alternator details, fuel consumption and other relevant technical specifications of the proposed DG Set.
8. The quoted hire charge shall include transportation, loading/unloading, installation, testing, commissioning, routine maintenance and dismantling/removal of the DG Set.
9. The agency shall ensure that the DG Set is maintained in good working condition throughout the hire period.
10. Any breakdown or defect of the DG Set shall be attended to by the agency without additional cost to CKCL.
11. The quoted rates shall be inclusive of all applicable taxes, duties and other incidental expenses, as applicable.

12. The agency shall comply with all applicable statutory, safety and environmental requirements relating to the operation of the DG Set.
13. CKCL reserves the right to accept or reject any quotation, wholly or partly, without assigning any reason.
